BURN PERMIT

NAME _____ **PERMIT#** _____

MAILING ADDRESS _____

SUBDIVISION _____ **PHONE** _____

DATE ISSUED _____ **EXP.DATE** _____

PLEASE READ ALL CONDITIONS LISTED BELOW

1. Controlled Burn Area must be an approved site or contained in a steel barrel with a screen-covered top, located at least 50 feet from any structure or combustible materials.
2. An adequate water supply and/or extinguishers and other fire fighting tools must be readily available. In case of an emergency DIAL 911.
3. All open fires are prohibited if dry or windy conditions exist, or a "Fire Ban" is in effect.
4. Fire must be attended to by a competent person (min. age 17) until such time fire is completely extinguished.
5. Flying cinders or brands must be confined to the cleared space within the approved area.
6. Building Contractors will be subject to the Controlled Burn regulations.
7. No person may kindle or maintain a fire that consists of Hazardous Materials.
8. Burns must be reported to Park County Communications Center at 836-4121 prior to the burn.
9. Ample access for Emergency Vehicles to the burn area must be available at all times.

The undersigned agrees to meet the requirements set forth in this Burn Permit. This permit can be revoked if applicant fails to comply with the guidelines stated above. Fines and/or costs to extinguish a burn fire will be assessed to the applicant for failure to comply with these guidelines.

The Fire Chief is authorized to disallow or extinguish any controlled burn at any time.
